SEPTEMBER, 2019 NEWSLETTER

TRUSTEE HUNTER

I trust everyone had a fabulous summer break, the weather was super and summer is such a good time to reconnect with family and friends. As we head back to school, I have seen parents and children out buying new clothes, school supplies and getting their heads around the early mornings and changes in routines.

Rockyview administration has been busy as well, a flood at Prince of Peace School necessitated the moving of resources to try to get the building ready for September opening. When that was

not a possibility, administration had to find an alternative site. The Board was thankful to both the Calgary Public and Separate School Systems willingness to accommodate our students until the school is ready. Our thanks go out to the staff who was more than willing to do whatever to ensure a smooth opening for students.

Minister of Education Eggen has put out some new regulations for private schools and Early Childhood School. Essentially the focus is to have more financial accounting around those programs. The government also focused on the importance of School Councils and the need for each school to have one and the efforts that will be made to ensure that every school has one. The Springbank Fall Fair was a success and Rocky View Schools had both with tried to encourage School Council participation.

Some websites that will be of interest:

The following is a great website for information relating to anxiety

<https://www.anxietybc.com/>

It offers videos that kids may identify with and advise on how to cope with anxiety.

Please visit this website to get the full report on the most recent findings on young people and social media.

Just a community update. The Springbank Community Association is sponsoring a Family Movie Night in conjunction with Calaway Park, September 14, 2018 at 5:00 pm. The cost is \$6.00 and includes movie, hot dog, popcorn and a drink. This is a private event for the community.

Also the Community Association is in the process of developing programs for children. Please look for information on the Springbankcommunity.com website. Your Community Association is working hard to create a community space which would include a least on gymnasium.

Springbank Park for All Seasons in conjunctions with sponsors and Rockyview School Board has upgraded the football field at Springbank Community High School.

Further community information, there continues to be push back from residents around the damming of Springbank. This is NOT a normal dam, but rather a **dry** dam which is comprised of an eight (8) story berm and a mud run off the size of 60 Calgary Zoos. A dry damn has never been built before in Canada and no like damns world-wide have been built since the 1930s.

Please check out information at www.dontdamspringbank.com.

The Lions Hall had to be demolished as it was deemed unsafe.

New Business

Question - With marijuana becoming legal in the next month, does the school have a policy? Are the students aware? Will the parents be aware?

Answer- Jeff says SCHS will operate under the same policy as the alcohol and tobacco policy (cannot use on school property or come to school under the influence).

SCHS Meeting adjourned @ 7:05pm.
